

MANUAL

A NEW VOCATIONAL TRAINING, A NEW OPPORTUNITY FOR THE TECHNOLOGY SECTOR
FOR TEACHERS AND VET EDUCATIONAL CENTERS

Manual for teachers and educational centers (heads of studies, heads of technology departments, directors...) to provide them with effective strategies to convince companies to host internships for VET students, offering them interesting aspects, resources to enhance the virtualization of the work done and answers to the questions that will surely assail whoever they contact.

In addition, we will offer a list of companies, promoters of this project, able to mediate and help in this process.
